ALS - Automated Licensing System

- Montana hunting, fishing and other recreational licenses are issued via an automated licensing system (ALS).
- Once you acquire a license through ALS, you will be assigned a lifetime "ALS number". The ALS number is your birth date plus a random number issued by the automated system. Your ALS number will be printed at the top of your license.
- If you do not have an ALS number, you **MUST** provide your date-of-birth and the last 4 digits of your social security number.
- Montana's license year is March 1 through the end of February of the following year. Even though you may have a lifetime ALS number, **EACH YEAR** a person must purchase a conservation license to be authorized to purchase any fishing or hunting licenses.

Attention Bowhunters

- To purchase a Bow & Arrow license, all bowhunters must provide a copy of a National Bowhunter Education Foundation (NBEF) certificate OR provide any prior year bowhunting/archery stamp, tag, permit or license from any state or province.
- All bowhunters born after January 1, 1985 must show proof of also completing a Hunter Education program before purchasing any hunting license.
- A bow and arrow license, plus the proper hunting license is required during an Archery Only Season or an Arch-Equip only area or hunting district.

Hunter Education Requirement

- Legislation requires anyone born after January 1, 1985 to provide a copy of his or her Hunter Education Certificate in order to purchase any hunting license in Montana.

Warm Water Game Fish

Required for all anglers who fish on waters listed in the current years fishing regulations as requiring the Warm Water Game Fish Stamp.

Turkey License

Spring Season - Turkey hunters may use one of the following options to harvest a male turkey during the spring season:

- Harvest one male turkey in a general hunting area or a special permit area; or
- Harvest two male turkeys in administrative region 7; or
- Harvest one male turkey in a general hunting area or a special permit area and one male turkey in administrative Region 7.

Fall Season - Turkey hunters may use one of the following options to harvest a turkey during the fall season:

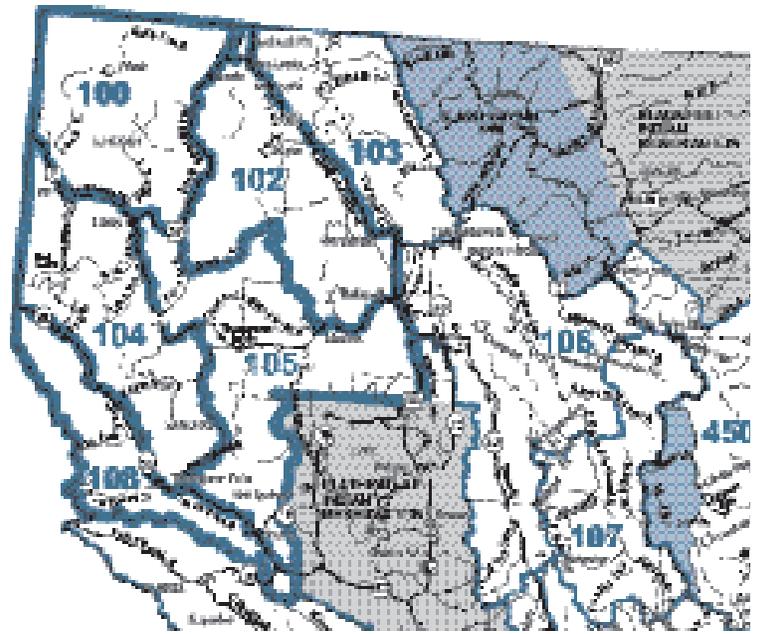

- Harvest one turkey in a general hunting area or a special permit area; or
- Harvest one turkey in administrative region 7; or
- Harvest one turkey in a general hunting area or a special permit area and one turkey in administrative Region 7.

OR

Harvest one male turkey in the spring and harvest one either sex turkey in the fall.

Options for the cost of a Turkey License:

- If a hunter holds a conservation and upland game bird license the cost for a turkey license \$55 per license.
- If a hunter holds only a conservation license the cost for the turkey license is \$115 per license.

Black Bear

- You may hold only one black bear license per year but the license may be used in either Spring or Fall.
- Hunters must take and pass a bear identification test before purchasing a 2011 black bear hunting license. There are two ways to take the test and receive your certification:
 - **ONLINE** at FWP's website at fwp.mt.gov and click on 'Take Bear ID Test' OR
 - **MAIL IN** - Request a mail-in test by calling 406-444-2535.
- License providers will not process the test or return them to FWP.
- If you previously passed the Bear ID test AND purchased a black bear license in Montana, you do not need to submit a bear certificate.

License Purchase Restrictions:

Spring Season:

- A Spring black bear license purchased after April 14 is available only at an FWP office or through our Online Licensing at fwp.mt.gov AND may not be used until 5 days after the license is issued.
- A validated license is required for Spring Bear hunters in Bear Management Units (BMUs) 100, 102, 104, 105, and 108. - hunters are able to hunt in these BMUs and the rest of the state but **NOT** anywhere else in Region 1. These districts are located in northwestern Montana in the Cabinet Yaak side of Highway 93.

Fall Season:

- A black bear license purchased after August 31 is available only at an FWP office or through our Online Licensing at fwp.mt.gov AND may not be used until 5 days after the license is issued.

State Lands

The State Land Recreational Use License is included as part of the Conservation License. Therefore, persons who are licensed to hunt, fish, or trap are not required to obtain a recreational use license for use of legally accessible state trust land for hunting, fishing, and trapping purposes.

Mailing Lists

Montana Fish, Wildlife & Parks receives requests for mailing lists.

**Please note, even if you chose no, under state law the department is required to allow individuals who wish to compile their own mailing list access to department records including your name, address, gender, residency status, license type, district applied for and whether you were successful.
